REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Mary Ford Elementary School's mission is to develop confident, independent thinkers prepared to lead meaningful and productive lives in a diverse society by providing students with an arts enriched, standards-based curriculum using extensive resources that include the nurturing and guidance of dedicated staff, parents, and community members. We have made great strides towards this mission in spite of the challenges often associated with urban and high poverty schools. Mary Ford Elementary School received the Palmetto's Silver Award and Charleston County School Improvement Award for its gains in student achievement on PACT. In addition, our school is proud of our Community of Readers Award, which highlights the integration of reading across the curriculum.

While we are quite pleased with our accomplishments, there is still much to be done in order to maintain our progression toward excellence. Reading, writing, math, and technology skills remain areas of focus for our staff, students, parents, and supportive community members who also believe that "all children can learn" and will, given the necessary resources, quality instruction, and encouragement.

Each year, we are faced with new, or continuing challenges of meeting the basic needs of our students, retaining quality teachers, providing effective staff development, etc. Our goals are to continue our work with curriculum mapping, increasing technology skills of staff and students, refining our school wide character ed and discipline programs, and increasing parental involvement in the education process.

We want to encourage you to accept our challenge of becoming involved with our students and school! Volunteer as a mentor, or after school tutor. Join the PTA and School Improvement Council. Become a business partner, participate in our Title I parenting programs, or help sponsor a school event. We need you! Our students need you! Together, we can make a difference, a big difference!
